

THE MENU

RÖSTI - THE SWISS NATIONAL DISH

The traditional breakfast from days of old - the dish of fried parboiled potatoes became the typical breakfast fare for country folk in German-speaking Switzerland at the beginning of the 19th century, replacing the traditional cereal porridge in many places. Today every canton in Switzerland has its own version and it has become extended its reach beyond breakfast only. Depending on the sides, it is enjoyed for lunch as well as dinner.

1. Neutral - rösti plain with sour cream & chives	\$9.9
2. Lucerne - with fried egg, sour cream & chives	\$12.5
3. Berne - with bacon and fried egg, sour cream & chives	\$13.9
